The Cars page wireframe features a circular logo placeholder in the top left. The navigation bar includes links for Home, Cars, Contact, About, and My cars, with the 'Cars' link highlighted. User actions for Register and Login are located in the top right. The main heading 'Cars' is centered, followed by a search bar with a 'search' button. The content area displays four car listings, each consisting of a 'Car Image' placeholder, a 'short description' box, and a 'Details' button.

The Contact page wireframe includes the same header and navigation as the Cars page, with the 'Contact' link highlighted. The main heading 'Contact' is centered. A large form box contains input fields for 'Address:', 'Email:', and 'Phone Number:', along with a 'Car Image' placeholder. Below this, there are three more input fields labeled 'Your Email:', 'Name', and 'Content'. A 'Send' button is positioned at the bottom center of the form area.

## About

We are Car Era, a car showroom where clients can also reserve the car they want in our showroom.

Car Era Head Quarters is in Craiova, Romania since 1985, improving the services each day, in order to meet the client expectations.

- My cars page

- Register

The screenshot shows the 'Register' page of the CAR ERA application. The header includes the CAR ERA logo and navigation buttons for Home, Cars, Contact, About, My Cars, Register, and Login. The main title 'Register' is centered. Below it, there are four input fields for registration: Name, Email, Password, and Confirm Password. A 'Register' button is located at the bottom.

- Login page

The screenshot shows a web application interface for 'CAR ERA'. At the top left is a logo featuring a car icon inside a gear-like circle with the text 'CAR ERA' and three stars below it. To the right of the logo is a horizontal navigation bar with seven buttons: 'Home', 'Cars', 'Contact', 'About', 'My Cars', 'Register', and 'Login'. The 'Register' and 'Login' buttons are dark grey, while the others are orange. Below the navigation bar, the word 'Login' is centered in a large, dark font. Underneath this heading are two input fields: the first is labeled 'Name or Email' and the second is labeled 'Password'. Both fields are white with a thin grey border. Below the input fields is a dark grey button with the word 'Login' in white text.

### 3. Prototype

The prototype is in the zip folder, you must open **index.html** and you will be redirected to the site in the browser.
